5. Advised Ken BeLieu by telephone that the Preparedness Investigating Subcommittee transcript and materials which [ ] had discussed with him could be delivered at any time. He suggested that we contact him again tomorrow in view of a busy work schedule today. 25X1A

6. Sent to the Bureau of the Budget for clearance a letter suggesting minor changes in S. 355. This bill would preclude the use of names by certain private organizations which would infer Federal relationship. Later in the day Mr. Burrus in the Bureau called and gave us informal clearance for the submission of this letter.

STATOTHR 7. Al Westphal, staff member on the House Foreign Affairs Committee, called and asked for any information which we might have on [ ] a former employee of USIA [ ] Westphal indicated that according to [ ] he had been caught in a squeeze between some conflicting requirements. [ ] talk with several Senators next week, and Westphal would appreciate any information we might be in a position to provide. This is being taken up with [ ] office. 25X1A

STATOTHR 25X1A 8. [ ] (OTR) called to alert us to the fact that due to necessary repairs on the DC-3 it would be better to schedule the House Armed Services CIA Subcommittee trip [ ] at a time other than the week of 20 April. STAT
